We Are Working Hard For The Development Of Industries: Minister Amarnath

Industries and IT Minister Gudivada Amarnath said that the Global Investors Summit-2023 is being organized in Visakhapatnam with a great idea to invite industrial giants from all over the world, inform about the resources available in our state and bring investments. He said that by setting up industries, the state will develop and youth will get jobs. According to Chief Minister YS Jaganmohan Reddy's orders, the Global Investors Summit is being organized in Visakhapatnam. He said that the YS Jagan government is working to make our state a gateway for industrial development and exports in the East Coast. Minister Gudivada Amarnath held a press conference in Vijayawada.

The minister said, we are constructing 10 ports and 9 fishing harbors in the state. Already 4 fishing harbors are under construction. Construction of 5 more harbors will be undertaken. The CM has given a target to bring the first ship to Ramayapatnam port by December 2023. We will bring the first ship by January 2024. All arrangements are being made for the inauguration of Juvveladinne Fishing Harbor in January.

We are moving ahead with the intention that our state should be a gateway for industrial development and exports, starting from Visakhapatnam, Bhavanapadu to Chittoor in the East Coast for economic growth. Minister Gudivada Amarnath said that a great effort will be made to invite industrial giants from all over the world to the investment meet, to make them aware of the opportunities available in our state and to participate in this program.
